GO AWAY![®] Rabbit Dog & Cat Repellent

- ✓ Prevents damage to plants & property
- ✓ Does not harm animals when used as directed

This product repels dogs, cats, rabbits and animals. Keeps pets away from trees, shrubs, garbage cans/bags, around the periphery of flowers and vegetable gardens, and other "forbidden areas".

This product is an animal behavior modification tool. It may need to be supplemented with other behavior modification techniques to break animals (particularly domestic animals) of existing bad habits.

HOW TO USE

Perimeter/Barrier Treatment

Using the convenient dispenser cap on this package, lightly and evenly sprinkle a band 4 feet wide, next to and around the area you wish to protect. One pound will treat a band 4 feet wide by 50 feet in length. If after 2 weeks no visitations have been observed, a **broadcast/maintenance** application may be made at the rate of 1 lb. per 300 sq. ft. Reapply product after heavy precipitation or every two weeks to obtain best results.

Note: This product is not likely to break the established urination patterns of dogs unless it is used as a training aid.

Stray animals are frequently attracted to areas where pets have soiled with feces or urine. To discourage repeat visits, remove any droppings, clean with water and fill any existing holes.

PRECAUTIONS

Do not apply directly on ornamental, soft bodied plants. Do not apply on food or feed crops. Do not apply to fine finishes or painted surfaces. **For outdoor use only.** Use training whenever possible, including positive (praise) and negative (sharply spoken word backed up with disciplinary action) reinforcement. Do not apply directly to water.

Before using this product, consult with State or local wildlife authorities to ensure that use does not present a hazard to any threatened or endangered species. Where necessary, obtaining all required permits and licenses is the responsibility of the applicator.

Satisfaction guaranteed or your money back

If not completely satisfied, please submit a refund request. Please send a copy of the receipt, the back label of the product that contains the UPC Code and a note explaining why you were dissatisfied. Send to, Bonide Products, LLC., Attn: Refund Request, 6301 Sutliff Road, Oriskany, NY 13424. Bonide Products, LLC. will not be liable for any damage, direct or incidental. Refund or replacement product is Bonide Products, LLC.'s only obligation.

This product is exempt from registration with the Federal EPA under section 25(b) of FIFRA, and as such, is not registered with the Environmental Protection Agency. Bonide Products, LLC. represents that the ingredients qualify for exemption from registration under FIFRA.
