## Keep Out Of Reach Of Children

# CAUTION

### FIRST AID

Product can cause moderate eye irritation. In case of eye contact, flush with plenty of water. For certain individuals, skin irritation may occur. In case of skin irritation, wash area thoroughly with soap and water. Seek medical attention if irritation persists. **Do not use this product if you are allergic to eggs.** May be harmful if ingested. May be an inhalation hazard. Use only with adequate ventilation. If adequate ventilation cannot be achieved, wear a mask or respirator when applying.

## STORAGE & DISPOSAL

Store and transport in an upright position. Store only in original container, in a dry place inaccessible to children and pets. Do not reuse empty container. Discard empty container in trash.

**Shotgun® REPELS-ALL® Animal Repellent Ready to Spray** repels Deer, Rabbits, Squirrels, Chipmunks, Dogs, Cats, Raccoons, Porcupines, Armadillos, Birds, Rats, Mice, Beaver, Ground hogs, Skunks, Voles, Moles and Shrews from around your home and garden area. Apply around homes, gardens, garbage cans, barns, perimeter of swimming pools, garden sheds, woodpiles, decks, patios, outbuildings, boathouses, campsites, picnic areas, cabins, trailers, travel trailers, RV hook-up sites, and other areas where these animals may be a problem. May be used in areas where children and pets play when used as directed. **Shotgun® REPELS-ALL® Animal Repellent Ready to Spray** will not harm lawns, gardens, flowerbeds or other desirable plants when used as directed. **Not for indoor use.**

**Shotgun® REPELS-ALL® Animal Repellent Ready to Spray** is exempt from registration with the Federal EPA under section 25(b) of FIFRA, and as such, is not registered with the Environmental Protection Agency. Bonide Products, LLC represents that the ingredients qualify for exemption from registration under FIFRA.

## HOW IT WORKS

The unique blend of ingredients in **Shotgun® REPELS-ALL® Animal Repellent Ready to Spray** causes a mild irritation to animal's nasal passages. When an animal touches, tastes or smells **Shotgun® REPELS-ALL® Animal Repellent Ready to Spray,** this irritation triggers the instinct to escape/avoid and the animal simply leaves. **Bonide® Shotgun® REPELS-ALL® Animal Repellent Ready to Spray** provides a powerful scent/taste repellent that animals find unpleasant and irritating. **Bonide® Shotgun® REPELS-ALL® Animal Repellent Ready to Spray** does not harm the animal, it drives them away.

This product is an animal behavior modification tool. It may need to be supplemented with other behavior modification techniques to break animals (particularly domestic animals) of existing bad habits.

**Shake Well Before Using -** Best results are obtained when application is made at least 6 hours prior to anticipated rainfall and the temperature is between 35° - 85° F. After material has dried, it WILL NOT WASH OFF IN RAIN. After **Shotgun® REPELS-ALL® Animal Repellent Ready to Spray** has dried, it will last up to 2 months; however, to achieve maximum effectiveness, follow the application instructions listed below. **Shotgun® REPELS-ALL® Animal Repellent Ready to Spray** is rapidly absorbed by the plant's foliage, as well as the root system.

## HOW TO USE

**TWIST & SHOOT™ READY-TO-SPRAY INSTRUCTIONS**

1) Make sure control knob is in "OFF" position, then connect to garden hose.
2) Turn water on at faucet. When spraying low growing plants and small shrubs, twist the control knob right, to the "FAN" position. When spraying taller trees, shrubs and other plants, twist the control knob left to the "STREAM" position for extended reach and more uniform coverage. The product mixes automatically with the water as you spray.
3) To stop spraying, turn the control knob lever to the "OFF" position. Turn off water at the faucet and disconnect sprayer from garden hose.

**As a foliar application,** spray leaves, stems and branches thoroughly from all angles, until run-off occurs or plants look wet. Allow 6 hours of drying time before watering plants or expected rainfall. Treat vulnerable plants at the beginning of their growth cycle and repeat at 7 to 10 day intervals during periods of rapid growth. Apply monthly during periods of moderate growth. Do not apply directly to vegetable crops intended for human consumption. Apply to the area around desirable vegetables to form a repelling barrier.

**To protect Bulbs and Seeds** from birds, squirrels, chipmunks, moles, voles, pine and meadow mice, treat bulbs before storage or planting. Remove old skin and soil, and then spray thoroughly until wet. Allow to dry before storing or planting. Seeds can be sprayed at time of planting.

**For application to hard surfaces (to prevent gnawing and cribbing),** such as Decks, Patios, Garbage Cans, Outdoor furniture, Fences, etc., spray thoroughly until run-off occurs. First, test an inconspicuous area to determine if staining occurs. Repeat at 7-10 day intervals.

**Endangered Species Considerations -** Before using this product, consult with State or local wildlife authorities to ensure that use does not present a hazard to any threatened or endangered species. Where necessary, obtaining all required permits and licenses is the responsibility of the applicator.

**First Aid**

**Product can cause moderate eye irritation. In case of eye contact, flush with plenty of water. For certain individuals, skin irritation may occur. In case of skin irritation, wash area thoroughly with soap and water. Seek medical attention if irritation persists.**
**Do not use this product if you are allergic to eggs. May be harmful if ingested. May be an inhalation hazard. Use only with adequate ventilation. If adequate ventilation cannot be achieved, wear a mask or respirator when applying.**

**Storage and Disposal:**

**Store and transport in an upright position. Store only in original container, in a dry place inaccessible to children and pets. Do not reuse empty container. Discard empty container in trash.**

**Other Precautions:** Do not apply directly to water.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with label directions.
